DATE: October 19, 1987

TO: Frank Ciavattieri
New Bedford Harbor Superfund Project

FROM: Marcy Wetherbee, Director
Office of Environmental Affairs

SUBJ: Traffic Routes

As we've discussed, enclosed are copies of the Alternate Transportation Routes available to you if Fairhaven Realty is unwilling to allow you to use their property.

As I understand it, this shouldn't create a problem with the Traffic Commission or the City Council as long as the N.B. Police Department is notified.

If you have any questions please don't hesitate to call.
